UNINSURED/UNDERINSURED MOTORIST COVERAGE SELECTION

Kansas law permits you to make certain decisions regarding Uninsured Motorists Coverage. This document describes this coverage and the options available.

You should read this document carefully and contact your agent if you have any questions regarding Uninsured Motorists Coverage and your options with respect to this coverage.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Uninsured Motorists Coverage provides insurance protection to an insured for damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle or an underinsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Every automobile liability policy must include Uninsured Motorists Coverage at limits equal to your limits for Bodily Injury Liability Coverage or Combined Single Limit for Liability Coverage as described below.

If your Bodily Injury Liability Coverage limits exceed the minimum limits required by Kansas Law of \$25,000 for each person/\$50,000 for each accident or a combined single limit of \$50,000 for each accident, you may select limits that are lower than your Bodily Injury Liability Coverage limits or Combined Single Limit for Liability Coverage for your Uninsured Motorists Coverage BUT you may not select Uninsured Motorists Coverage limits less than the minimum required limits.

Please indicate your choice as follows:
